**If you prefer to get some one-on-one advice contact Pathfinder Community Connections at 1-800-310-9510 about upcoming Financial Fitness Workshops created just for you! You'll learn more about how small, simple changes can impact your financial future.**

With spending being so easy these days, it's no surprise that saving isn't. You could enroll as a Saver, open a savings account and start making automatic deposits to that account – which could save you thousands of dollars a year. That's money that could go towards continuing education for you or your children, a new car, or even early retirement. Because what starts with something as simple as getting informed or attending a local financial workshop, is laying the foundation for a wealthier future. One that quite possibly could involve a graduation cap and gown, a spot behind a new set of wheels, or a beautiful new address.
